Creative Confidence

**Free creative programmes for
young people to build confidence
and positive futures.**

Creative Pathways

Creative Pathways is a 12-week programme, using creativity to develop skills that support you in developing career goals.

.....

Formal education is not for everyone, and getting a job or thinking about college can be really tricky. If you're 16-26 and are not at college or in full-time employment, then Creative Pathways could be for you.

Over 12 weeks and using the arts as a focus, we will support you to feel more confident, overcome some of the hurdles you might be facing and gain some qualifications. Delivery will be a blended approach of online and face to face sessions in line with government guidelines. You will be supported by an artist and opportunities co-ordinator who will provide 1:1 and group support. You don't need to be a whizz at art to join in - an interest in creativity is more than enough. We will provide you with everything you need to get involved.

We have 3 Creative Pathways projects for Autumn 2020 starting on:

- Glasgow & The West - 14th September
- Edinburgh & The East - 14th September
- N, S & East Ayrshire - 21st September

“ Creative Pathways has helped me gain lots of skills, like communication and confidence. I am proud of what I have achieved.

“ If you're thinking of joining Creative Pathways - I'd say go for it! It's a great opportunity to meet new people and make new friends.

Cashback Nights

A fun and creative programme helping you explore or develop new skills & confidence.

.....

If you're aged 14-19 and looking for something creative to do after school or at the weekend, then why not think about our CashBack Nights programme? Perhaps you have not enjoyed school much or you are finding things really tricky at the moment.

Starting on the 7th September 2020 and running all year round, our CashBack Nights programme will help you explore and develop creative skills across a whole host of areas like Visual Arts, Film, Performance, Creative Writing, Music and more. You don't need any prior knowledge – the focus is on fun and we will provide you with all the kit needed to get involved. CashBack Nights will be delivered in a variety of settings from online sessions to face to face workshops.

“ Thank you for the laughs, the ideas, the inspiration, and the motivation you gave me over the past few weeks. I really enjoyed myself.

Make It Your Own

Guided support for care leavers that help make your new place feel like home.

.....

Are you aged 16-26 and a care leaver preparing to enter into your new tenancy? Perhaps you got the key to your tenancy within the last year? You might be a care leaver living in temporary accommodation and are waiting to get your keys soon. If so, this programme is for you! We will work with you on a 1:1 basis to explore how you can turn your space in to a home. You will be supported to explore your own style and how this can be incorporated across your rooms. You will learn new skills, surprise yourself and will be given a shopping budget.

Year round recruitment.

“ The 1:1 sessions made me feel listened to and respected and group sessions gave me another insight to different situations, talking to the other young people. We all trusted each other very quickly... It also made me realise I do have the motivation and that ability to overcome obstacles in life – that I'm actually doing ok if you get what I mean.

Still here for you...

It is still a worrying and challenging time for many at the moment, so in response and in line with government updates, Impact Arts have changed the way we work; ensuring we are still doing everything we can to support you or those you work with.

We are continuing to offer ways for you to get involved in our programmes in a virtual setting, with the hope of face-to-face sessions as the project develops, following government guidelines. Don't worry if you don't have data, a phone or a digital device, we will work with you to find a solution.

Find out More

If you think some of the sessions might be of interest to you, or would like to find out a bit more visit our website at www.impactarts.co.uk where you can get in touch or chat to one of our team via the live chat.
